

Risk Assessment

Equipment / activity: Pick N Mix Stand
Date: 13/12/2023

Hazard	Who is at risk?	Possible effects/harm	Likelihood (high, medium, low)	Evaluation & Control Measures	Revised risk rating (high, medium, low)	Are there adequate control measures in place?
Product ingredients spillage	Staff, customers	Risk of injury through slips/trips	Low	Any spills must be cleaned up immediately, with a bin to be placed nearby. Working areas to be kept clean and organised.	Low	Yes
Loading, handling and set up of equipment	Staff	Injuries caused by incorrect lifting/handling	Medium	All staff to be trained in manual handling.	Low	Yes, manual handling to be reduced by use of trolleys and lifts.
Food poisoning	Customers	Risk of illness due to poor food hygiene practices .	Low	Food hygiene/handling practices should be followed at all times.	Low	Yes
Food Allergies/intolerances	Customers	Risk of serious illness to customers with food allergies/intolerances	High	A list of ingredients to be available on request. Children to be supervised by adults at all times.	Medium	Yes
Manual handling	Staff	Risk of injury when moving/setting up the cart.	Low	Staff to be trained in manual handling.	Low	Yes

Choking	Participants	Risk of choking on sweets	Low	Children to be supervised at all times. If anyone is found to be in distress whilst eating the sweets, medical help should be sought.	Low	Yes
----------------	--------------	---------------------------	-----	--	-----	-----

Risk rating

High

For example:

- fatality possible to one or more individuals however infrequent
- major injury to few individuals occurring frequently

- likelihood of long term muscular-skeletal problems affecting significant numbers of staff
Immediate action required

Medium

For example:

- major injury to one/few individuals occurring infrequently
- likelihood of long term muscular-skeletal problems affecting some staff. Requires attention as soon as possible

Low

For example:

- minor injury occurring infrequently to few staff.
Not a priority, may need attention if not as low as reasonably practicable.
